

2021 SPIRIT OF YOUTH AWARD

PURPOSE

The Spirit of Youth Award recognizes a young adult who has made great strides following involvement with the juvenile justice system; has overcome personal obstacles; and is making significant contributions to society. The award provides an important opportunity to learn from a young person about the hard work and dedication it takes to build a better life, and how juvenile justice professionals and systems can most effectively support the youth they serve. This honors the commitment the young person and those that have supported them to help them find their success.

CRITERIA

The award recipient must be:

- Under 24 years of age,
- A person who was adjudicated delinquent/involved in the juvenile justice system,
- Currently involved, directly or indirectly, in bettering the lives of youth; and
- Nominated by a former system worker or member of the community.
