The Resource Family Conference (RFC) is a unique learning experience where attendees are inspired by a nationally renowned keynote speaker, receive continuing education and develop an invaluable support network.

This conference is open to all Nebraska resource families! Whether you’re a Resource Family with KVC Nebraska or another agency, you’re welcome to attend! Conference attendees will learn about topics such as helping youth feel safe and connected, promoting healthy brain development and resilience.

WHAT’S A RESOURCE FAMILY?
Resource Families are individuals and families caring for youth in the foster care system and extended family home providers caring for individuals with intellectual and/or developmental disabilities.

WHO IS THE KEYNOTE SPEAKER?
Rebecca Bender is the founder and CEO of the Rebecca Bender Initiative (RBI). She is an award-winning, nationally recognized expert on human tracking. After escaping nearly six years of modern-day slavery, she wrote her first book, Roadmap to Redemption, followed by her recent curriculum, Elevate. She is also the recipient of the Female Overcomer Award, Unlikely Hero Award, Hero to our Generation Award and multiple FBI and Congressional recognitions. She is a sought after speaker and consultant and has been featured on the Today Show, NBC Deadline Crimes, Forbes, Huffington Post, and Sports Illustrated.

KEYNOTE SESSION TOPIC
Rebecca Bender was lured out of her small community and forced into human trafficking for nearly six years. Tricked by a man she thought was her boyfriend, many vulnerabilities she was unaware of set her up to be a target for traffickers. Her inspiring story of resiliency and hope will remind you of why you do the work you do.
